

## The Riff Space: An Invitation

Thank you for your interest in joining us in The Riff Space: An Irreverent and Sacred Community of Practice. We're so glad that you're considering riffing with us.

In order to ensure the integrity of the program, we're keeping it intimate (nine participants), and will only include participants who are willing to be thoughtful about the nature of their engagement with the group. We'd love to hear your thoughts on what you'd want from The Riff Space, and what you feel you'd bring to the group.

Feel free to ramble a bit or give us bullet points. Name the questions you're struggling with or just tell us how it feels to not know the answers.

Since The Riff Space is designed to exist "out beyond ideas of wrongdoing and rightdoing," you can't get this wrong. We'll meet you in that field, where candor and vulnerability swirl together in a vortex of authenticity. (Or maybe it's more like a soft ice cream twist being served from a food truck, because who doesn't love that?)

Let your irreverent and sacred self speak to us here. We're looking forward to seeing you in The Riff Space.
